

Environmental and Sustainability Studies

"What can I do with an ENS degree?"

Speaker Series Presents:

Dr. Len Sauers

Dr. Len Sauers served as Vice President of Global Sustainability and Global Product Stewardship at Procter & Gamble. He led a department of 700 people responsible for developing and executing P&G's Program in sustainability, ensuring company products were safe and in regulatory compliance, and addressing technical external relations issues.

Thursday, March 5th

5:30-6:30 pm

Jacobs Science Bldg 121
