<i>Declare the ENS B.A Major at the A&S Advising Center, Patterson Office Tower, Room 311</i>		

Course	Course Title	Credit Hours	Grade	Semester Completed
A. Required Core Courses (<i>substitute courses may be used with Director's approval; list below required course</i>)				
ENS 201	Environmental & Sustainability Studies I (fall 2013)	3		
ENS 202	Environmental & Sustainability Studies II (spring 2014)	3		
ENG 205	Intermediate Writing (<i>Prof. Erik Reece's Section</i>)	3		
ENS 300	Special Topics in Environmental Studies ¹	3		
PHI 336	Environmental Ethics (<i>substitutes are not allowed</i>)	3		
ENS 400	Senior Seminar in ENS (spring 2014)	3		
A. Total Hours		18		
B. Area of Expertise Elective Courses (see next page; must have three different departmental prefixes)				
Area-1	Fifteen Credit Hours (<i>Select one area from Economics, Environment, or Society</i>)			
Area-2	Six Credit Hours (<i>Select one area from Economics, Environment, or Society</i>)			
Area-3	Three Credit Hours (<i>Select one area from Economics, Environment, or Society</i>)			
Notes:		B. Total Hours	24	
		A + B Total Hours	42	
		Total Hours at or above 300-Level^{2,3}		
1. Examples of courses that satisfy the ENS 300 requirement are: PS 391 Urban Sustainability in North America; SOC 350, Environmental Justice; AC 301, Environmental Justice from the Rust Belt to the Coal Fields. Other courses may be used to satisfy this elective with the Director's approval and signature. 2. A&S B.A. Requirement: 42 major credits with 24 at or above 300-level; A&S 3. Graduation Requirement: 39 credits at or above 300-level		Prof. David Atwood, Director
